February 27, 2023

Key Discussion Points:

- Welcome, review agenda and introduction
- Presentation on Alan and Amy Meltzer Center for Athletic Performance and Sports Center Annex
- Question and Answer
- Adjourn

Summary: The Working Group meeting began with a welcome from the co-chairs and a review of the agenda for the meeting. The group also welcomed several observers to sit in on the presentation on the Meltzer center project. Next, Jonathan McCann and representatives from Perkins Eastman and American University reviewed updated information on plans for the Meltzer Center for Athletic Performance, the presentation included new geo-imaging previews and renderings, details about a noise study conducted by AU, and diagrams of the current and potential plant buffers around the project area. Jonathan also reviewed the community engagement process and FAQ that has been developed for the project, which is posted on AU's website. The meeting ended with a round of questions from the neighbors and responses from AU.
