

## **American University Neighborhood Partnership Facilities Planning Working Group Summary**

May 30<sup>th</sup>, 2023

### Key Discussion Points:

- Welcome, Review Agenda and Introduction
- Meltzer Center/SCAN Updates
  - Proposed Conditions
  - Updated Renderings
- Project Update: Jacobs Field Sound Barrier
- Summer Projects Update: Leonard Hall, Tunnel Projects, Retail Space Remodels
- Open Floor Discussion on Facilities Planning Issues
- Closing Comments and Adjourn

Summary: The May working group meeting began with a round of introductions and a welcome from the co-chairs before reviewing the agenda. Next, Jonathan McCann presented information on the proposed conditions for the Meltzer Center/SCAN project, this also included updated renderings to be included in the 21-day filing deadline prior to the Zoning Commission hearing. After taking questions from the group, Jonathan next updated the group on the progress of the Jacobs Field sound barrier, as well as summer renovations projects on AU's campus. The meeting closed out with an open floor discussion on other facilities issues at AU not related to planned buildings as outlined in the campus plan before closing comments from the co-chairs.
