

American University Neighborhood Partnership Steering Committee Summary

February 5, 2019

Key Discussion Points:

- Foundational Agreements
- Working Group
- Foundational Discussion
- Proposed Dates

Summary:

The first meeting of the AU Steering Committee included laying out draft Terms of Reference and Ground Rules documents for committee members for comment. The committee also discussed membership criteria going forward. Justice and Sustainability Associates (JSA), who will serve as the AU Neighborhood Partnership secretariat was introduced. Beyond the Steering Committee and Working Group meetings, AU will have Campus Planning 101 sessions, which intend to share the function, goal and details of the campus planning process. Quarterly Community Liaison Council meetings will continue as well. The Steering Committee then looked ahead to upcoming dates for the Partnership, and discussed each member's concerns and hopes for the Partnership process.
