

American University Neighborhood Partnership Steering Committee Meeting Summary

April 21, 2020

Key Discussion Points:

- Process and Timeline Overview
- Preliminary Framework: Progress and Updates
- Working Groups Report-Out

Summary: The April Steering Committee meeting began by reviewing the timeline and work ahead for the 2021 Campus Plan, the group also looked towards the upcoming CLC Sessions on the plan. Next, the group discussed AU and the neighbors' views on the student enrollment cap, and how best to message the issue to the wider community. The Facilities Planning, Student Life and Safety and Transportation and Parking Working Groups all provided progress reports on the work they had accomplished since the last Steering Committee meeting. The meeting closed out by looking at key upcoming dates for the Partnership.
