

American University Neighborhood Partnership Steering Committee Meeting Summary

December 16, 2020

Key Discussion Points:

- Campus Plan Filing and Next Steps
- Community Letters of Support
- 2021 Working Group Co-chairs
- Draft 2021 Steering Committee Dates

Summary: The December Steering Committee meeting began with participants looking at the Partnership's next steps since AU officially filed the 2021 Campus Plan with the Zoning Commission on December 14, 2020. Next, there was a conversation on how AU will coordinate with neighbors who want to submit a testimony in support of the 2021 Campus Plan through their community portal. The meeting closed out by reviewing the 2021 neighborhood co-chairs that were selected by each Working Group and looking at meeting dates for 2021.
