

## **American University Neighborhood Partnership Steering Committee Meeting Summary**

March 17, 2021

### Key Discussion Points:

- Introductions and Review Agenda
- Working Group Report-Out
- Overview of the Zoning Commission Hearings
- Key Meeting Dates

Summary: The March Steering Committee meeting began with a roundtable of introductions and with the facilitator Laura Gramling reviewing the agenda. Next, the Student Life and Safety co-chair gave a brief report-out on their Working Group meeting, taking questions from members of the Steering Committee. The group next looked at an overview of what to expect for the Zoning Commission Hearings including a review of the parties filing in opposition and DC agency reports on the 2021 Campus Plan. The meeting closed out by looking at key dates for the Partnership moving forward.
