

American University Neighborhood Partnership Steering Committee Meeting Summary

July 14th, 2021

Key Discussion Points:

- Introductions and Review Agenda
- Working Group Report-Out
- Zoning Commission Hearing Overview
- Key Meeting Dates

Summary: The July Steering Committee meeting kicked off with a welcome from the co-chairs followed by facilitator Laura Gramling reviewing the agenda. Next, the Student Life and Safety co-chairs reviewed the progress they had been making in their Working Group, which was looking toward students returning for the Fall semester as well as finalizing the Eagle Living Guide. Following that, Steering Committee members celebrated the approval of the 2021 Campus Plan before DC's Zoning Commission and reviewed expected next steps as they waited for the full written order and conditions to be completed. The meeting closed out by reviewing upcoming meeting dates for the Partnership.
