Summary: The April Steering Committee meeting began with welcoming words from the co-chairs and an acknowledgment of Seth Grossman's departure from AU and the Steering Committee co-chair role, he will be succeeded by Matt Bennett, VP and Chief Communications Officer. Following this, Jonathan McCann updates the group on developments with the Jacobs Field sound barrier, Meltzer Center, and Reeves field. Next, the Student Life and Safety co-chairs gave a verbal update on their work since the last Steering Committee meeting. Josh Finver, Assistant Director for TDM, briefed the committee on OLLI parking enforcement updates and ongoing discussions AU is holding with Spin on scooter management and corralling.

The last working group report was delivered by Laura Marks, AVP of Community and Government Relations, who gave a comprehensive report on possible outreach and amenity-based ideas to further engage nearby neighbors and recruit more members into the Partnership. The last agenda item was a group appreciation and send-off of Seth Grossman, who will be departing the University at the end of April.
