

## **American University Neighborhood Partnership Steering Committee Summary**

May 2<sup>nd</sup>, 2023

### Key Discussion Points:

- Welcome, Review agenda and Introductions.
- Working Group Report Outs
- Preview Meltzer Center Conditions
- Future Meeting Dates
- Closing Comments and Adjourn

Summary: The May Steering Committee meeting began with a welcome by co-chairs William Clarkson and Seth Grossman, then Don Edwards of Justice and Sustainability Associates reviewed the agenda. Next, Jerry Gallucci and Jonathan McCann reviewed the work that had taken place in the facilities planning working group since the last Steering Committee meeting. Following this report out, Cory Peterson walked the Steering Committee through the expected conditions and timeline for the Meltzer Center project, this included details on site development and construction management, lighting and noise mitigation, and building operations. After taking questions and comments from neighbors, the meeting closed out with a look at key Partnership meeting dates from May through July.
