

**American University Neighborhood Partnership**  
**Student Life and Safety Working Group Summary**  
May 28, 2020

Key Discussion Points:

- Review Draft Revisions to Good Neighbor Guidelines and Student Code of Conduct

Summary: After a round of introductions, the Student Life and Safety Working Group reviewed the new language in AU's "Good Neighbor Guidelines" policy for students who choose to live off-campus. After taking neighbors' assessments, the group next looked at revisions to a section of the Student Code of Conduct. The working group affirmed the revisions in both the Good Neighbor Guidelines and Student Code of Conduct. The meeting wrapped up by looking at how group members will help implement the off-campus orientation training program and other recommended Working Group changes into Fall 2020.
