

**American University Neighborhood Partnership
Student Life and Safety Working Group Summary**

Sept. 22, 2020

Key Discussion Points:

- Implementation and Monitoring
- Review Neighbor Feedback on the Campus Plan
- Review Fall Timeline

Summary: After reviewing the agenda, members of the Student Life and Safety Working Group discussed the new roles and responsibilities of the group moving forward as AU prepares to file the Campus Plan with the Zoning Commission. Next participants reviewed the process for creating the AU Eagle Living Guide and looked over its draft table of contents, they also discussed AU's engagement process with high-rise buildings housing AU students. The meeting closed out with a discussion over COVID-19 issues and how those types of complaints relate to the student conduct process.
