

**American University Neighborhood Partnership
Student Life and Safety Working Group Summary**

Oct 13, 2020

Key Discussion Points:

- Review AU Complaint Process with Students in Buildings
- Updates on Building and Neighborhood Meetings
- Review Eagle Living Guide Table of Contents

Summary: After an overview of the agenda, Student Life and Safety Working Group members dove into a discussion on AU's process to deal with complaints involving students in hi-rise and other apartment-style buildings. Next, they reviewed a list of AU's previous and scheduled outreach about the draft Campus Plan to surrounding community associations. The meeting closed out with participants looking at the timeline for production of the Eagle Living Guide and with a timeline update of key dates for the Fall.
