

**American University Neighborhood Partnership  
Transportation and Parking Working Group Summary**  
Sept. 30, 2020

Key Discussion Points:

- CTR Update
- TDM Plan Summary
- Next Steps
- Comments and Questions

Summary: After reviewing the agenda, the Transportation and Parking Working Group talked through any outstanding issues on AU's Comprehensive Transportation Review (CTR) document. Next, meeting participants reviewed AU's draft Transportation Demand Management (TDM) plan with discussion on issues such as a ride-sharing cutout, increased bicycle usage on campus, and E-Scooter mobility issues. The meeting closed out by looking at key dates for the Neighborhood Partnership through the rest of 2020.
