Member Experience At-A-Glance

\$543 member savings

Justine receives her ID card and visits [carefirst.com/doctor](https://www.carefirst.com/doctor) to find an in-network eye doctor. After reviewing her options, she selects Dr. Anderson and calls to make an appointment.

Justine visits with Dr. Anderson who prescribes polycarbonate premium progressive lenses and recommends a premium anti-reflective coating.

Justine picks out a \$210 frame, but only pays \$48 due to her frame allowance and discounts.

	Retail cost	Justine pays
Exam copay	+\$70	+\$10 Copay
Frame cost	+\$210	\$24 -\$180 (Frame Allowance) -\$6 (20% Discount off Balance)
Premium progressive	+\$300	+\$90
Polycarbonate	+\$75	+\$30
Premium anti-reflective coating	+\$90	+\$48
Total	\$745	\$202
Justine saved		\$543

THE EYES ARE THE WINDOWS

TO YOUR HEALTH

- An eye exam can detect serious medical conditions including:
 - Pre-diabetic risk, diabetic retinopathy, hypertension preventable stroke, cardiac risk, brain tumors, and approximately 20 other medical conditions
- **Under BlueVision Plus, CareFirst offers members seeking treatment or care for diabetes or hypertension, and members who are pregnant or postpartum (up to 6 months) the ability to access an additional vision exam at no additional cost.**
(*Members must be enrolled in a CareFirst medical plan and vision plan)
- American University members will receive an annual eye exam reminder focused on diabetes and early detection
