

AUWCL JD COST OF ATTENDANCE 2022-2023

9-MONTH ACADEMIC YEAR

The Cost of Attendance (COA) is the maximum amount of financial aid permitted from all sources during the nine-month school year. Institutional funds awarded by AUWCL, in combination with tuition-only outside assistance, cannot exceed AUWCL tuition.

While the COA cannot be increased to meet non-educational obligations, documented extraordinary expenses may be considered per federal regulations. The COA can be increased for a one-time computer purchase and/or AU medical insurance.

Enrollment in six credit hours per semester is required for receipt of financial aid. Students taking more than 17 credits (with Registrar approval) are charged per credit above the standard rate.

Please note that there is a separate summer cost of attendance for those students enrolled in that term.

Living expense refunds, if applicable, are typically available beginning in the first week of classes during the fall and spring semesters. Financial aid cannot disburse early to cover expenses.

AUWCL reserves the right to modify or change the contents of the student budget without notice.
